

PYTC May 2009 newsletter

COMMODORE'S BALL Saturday May 30

Get you dancing shoes out! Make sure you have called Sharon Chapman (250- 809 – 2449) or seen her at the Clubhouse to obtain your tickets. The cost is a real deal: \$40.00 pp includes dinner, dancing AND a continental breakfast on Sunday. See you there!

VOLUNTEERS WANTED AND URGENTLY NEEDED!

As some of you may be aware, The Penticton Yacht and Tennis Club has recently been informed that our existing lease with the Province of British Columbia will likely be transferred to the City of Penticton upon expiry in two years time.

While the PYTC has requested a legal opinion regarding our options, to date the PYTC executive has not successfully identified any alternative legal challenges in this matter.

As a result, the PYTC executive is supportive of forming a sub-committee to establish a positive and constructive working relationship with the City of Penticton. The mandate of this committee is to work towards a successful and affordable long-term lease agreement with the City.

There are currently many non-profit organizations that have secured such agreements with the City and your PYTC executive believes that it would be in the best interests of our Club to pursue a similar arrangement on behalf of our membership. **As such, we are requesting volunteers to participate in this new sub-committee.**

If you are interested or have other comments or concerns, please forward them directly to any member of the executive. Please note contact information for several of them.

GARDEN AROUND THE CLUBHOUSE

Do you have a green thumb or maybe just an hour here and there? The garden around the Club needs a bit of maintenance. Would you like to organize or just help in a cleanup? Let's beautify our lovely Club!
