\$ OWING!!!!

On the last telephone bill the Club received, there was a long-distance call made to Switzerland on Sunday, August 2nd at 11:58 PM. The call was 83 minutes in length at a cost of \$60.59. Presumably the person who made this call was waiting for the bill to arrive to see what the actual cost was before paying for the call. Would this person please put the \$60.59 in the slot at the PYTC office door to bring his/her account up to date? Thank you.
